KING POT, EAST KINGSDALE

Sat 17th and Sun 18th November 2007

Information provided by: Jules Barrett

Saturday 17th November 2007

King Pot, one of the great trips of the Dales with pitches, climbs, traverses, crawls, squeezes, big chambers, boulder chokes, high avens and ducks. About 9 pitches but a few are usually free-climbed or handlined. The first 3 pitches are P-bolted and then it's probably Spits etc.

Likely trip length is 8-10 hours to the bottom and back out. See 'Not for the Faint Hearted' p146.

Other info:

- SRT trip.
- Oversuit/undersuit or wetsuit.
- Requires dry conditions so may have to do an alternative trip.
- Meet at 9:00 a.m. on Saturday morning at Inglesport.

Sunday 18th November 2007

Nothing planned/booked but I'll be looking to do another trip on the Sunday.
